

The University of Texas at Austin

Walker Department
of Mechanical Engineering
Cockrell School of Engineering

ACADEMY OF DISTINGUISHED ALUMNI

Nomination Form

The Walker Department of Mechanical Engineering, in an effort to recognize the accomplishments of its outstanding alumni and friends, has established the *Mechanical Engineering Academy of Distinguished Alumni*. The Academy will seek to do the following:

- Recognize engineers publicly among the University of Texas at Austin community and the Engineering community
- Champion our own professions
- Create a sense of community/camaraderie within the Department
- Facilitate interaction/continuity with the student body and our alumni and corporate friends

The Academy will recognize alumni in four categories:

OUTSTANDING YOUNG MECHANICAL ENGINEER

Nominees must be 40 years old or younger and have shown outstanding work in their field, plus be promising leaders for the future. They must have a strong commitment and interest in the University and the Department of Mechanical Engineering.

DISTINGUISHED MECHANICAL ENGINEER

Nominees must be over the age 40 and have proven superior professional achievement, community service, and service to the University. These alumni are role models for all to follow and their example of distinguished professional practice deserves recognition.

MECHANICAL ENGINEERING HALL OF FAME

Nominees to this category are alumni who are retired or near-retirement with outstanding career records. This award recognizes sustained and meritorious contributions of distinguished professional practice.

HONORARY MECHANICAL ENGINEER

Nominees for this award are non-UT ME alumni who have made major contributions to the engineering profession and whose support of the UT Walker Department of Mechanical Engineering merits recognition.

NOMINATION INFORMATION REQUIREMENTS

Complete nomination information should be submitted to the Department, and should include a nomination letter and a nomination form completed in its entirety.
