## **Sumit Singh**

*Outstanding Young Mechanical Engineer, 2019*

MSMSE, The University of Texas at Austin, 2003

CEO  
Chewy

Sumit Singh is the CEO of Chewy, Inc. and has served in the position since March 2018. He has also served on the board of directors since April 2019.

In his role as CEO, Sumit leads more than 10,000 “Chewtopians” (as they like to call themselves) towards their mission of becoming the most trusted and convenient online destination for pet parents everywhere. He joined the company in 2017 as Chief Operating Officer.

With a customer-first approach to business, Sumit is passionate about driving Chewy’s long-term growth, rooted in product innovation and high-touch, personalized service.

He brings more than 17 years of global leadership experience that spans e-commerce, technology, retail and logistics, and loves to focus on building world-class teams and operations at Chewy so we can scale and deliver the most high-bar experiences in the pet industry.

Prior to joining Chewy, Sumit served as Director and General Manager of Amazon’s North American Merchant Fulfillment and third-party businesses, and then as the Worldwide Director of Amazon’s Consumables business, Amazon Fresh and Pantry. Sumit has also held various management positions at Dell, including serving as the North American General Manager/Category Leader.

Sumit holds a master’s degree in Engineering from The University of Texas at Austin and an MBA from The University of Chicago’s Booth School of Business

When not at Chewy, Sumit enjoys spending time with his family and Shih Tzu named D.
