COMMENTS:

Students **MUST** verify that they have met the required pre- and co- requisites for the courses as reflected on the student's flowchart and the relevant semester's Course Schedule. Students must also verify that the courses selected will meet the required pre- and co- requisites for courses they intend to take in the following semester.

"While University faculty and staff members give students academic advise and assistance, each student is expected to take responsibility for his or her education and personal development. The student must know and meet the requirements of his or her degree program, including the University's basic education requirements; must enroll in courses appropriate to the program; must meet prerequisites and take courses in the proper sequence to ensure orderly and timely progress; and must seek advice about degree requirements and other University policies when necessary." -- Undergraduate Catalog (<http://catalog.utexas.edu/undergraduate/>)

✘ _____

Please sign the line above that you have read and acknowledge it is ultimately your responsibility to make sure you are meeting pre-requisites and co-requisites taking courses in the proper sequence to ensure orderly and timely progress toward your degree in ME.
